Structural steel specialist T T J secures new contracts totalling \$16 million in Singapore and Malaysia

SINGAPORE – 17 September 2015 – T T J Holdings Limited (“T T J” or together with its subsidiaries, the “**Group**”) announced today that it has secured structural steelworks contracts for a Liquefied Natural Gas (“**LNG**”) project at Pengerang, Johor and for the provision of civil defence doors for MRT Stations along the Thomson Line totalling \$16 million. These projects, which are expected to be substantially completed between FY2016 and FY2017, raise the Group’s order book to \$122 million as at 17 September 2015.

Commenting on the new contract wins, T T J’s Chairman and Managing Director, Mr Teo Hock Chwee (张福水) said, “Despite facing increased market competition, we managed to bolster our order book with these new projects, which I believe underscores the top-notch and reliable solutions that T T J always delivers to our clients. This also proves that there are ample opportunities in the construction market to be had, and T T J is determined to go all out to pursue prospects that fit our considerable capabilities and which generate positive yields for us.”
