## **Structural steel specialist T T J wins \$12 million in new projects in the region**

**SINGAPORE – 7 December 2016 – T T J Holdings Limited (“T T J” or together with its subsidiaries, the “Group”)** announced today that it has secured new contracts worth \$12 million in Singapore and Malaysia. With these, the Group’s order book as at 07 December 2016 stands at \$42 million<sup>1</sup>. The new projects, a few of which the Group has already commenced work, are expected to be substantially delivered between FY2017 to FY2018.

In Singapore, T T J has secured another contract to supply and install the fixed gangway at Changi Airport Terminal 1, following its first Terminal 1 gangway project in October 2014. Separately, T T J has secured a contract to supply, fabricate and install structural steelwork at Choa Chu Kang Waterworks. The Group also clinched the job to supply a series of civil defence shelter doors for the MRT Thomson-East Coast Line. Over in Malaysia, the Group won a contract from a repeat customer to supply, fabricate and install structural steelwork for the refinery and petrochemical integrated development project (“**RAPID**”) in Pengereng, Johor. This marks the third job T T J has won for this mega project in Pengerang, Johor.

T T J’s Chairman and Managing Director, Mr Teo Hock Chwee (张福水) said, “Even though the current economic and operating landscape is intensely competitive, we believe our overarching strategy, which is to target projects with better yields whilst maintaining cost efficiency, puts us in a good position to sustain business growth. We are actively pursuing all feasible business opportunities that fit our capabilities and requirements to deliver quality work to our customers and ultimately, value to our shareholders.”
